Plans and Policy Staff

Weekly Activity Report #2

1. War and Emergency Plan

The DTR war and emergency planning paper was disseminated to the Schools and Staffs. In addition, all Chiefs were contacted with an offer of PPS assistance in the implementation of their planning. Reactions to date are: [] likes the idea; [] will postpone action until [] return. However, Hugh and I will talk over any obvious non-controversial actions he might take in the meantime. [] says his staff will have a lot of questions. I will brief them on 12 June. [] of the PP Staff borrowed the draft of our memorandum on Monday, to be returned the next day, and still has not sent it back.

2. []

The Operations School was checked to insure they had received copies of the new [] in the [] series. These are the ones on PP projects and FI-CI projects. Distribution had been made.

3. ELINT Course

[] is continuing his survey preliminary to drawing up an ELINT course. His memorandum for the record is attached. He now feels our 1 July deadline for a tentative course description and prospectus will be met without too much difficulty. PPS set up an 1130 5 June briefing for [] DC/FE, and appropriate FE staff officers. I hope to attend this briefing with []

4. Agency Briefings of the Service Schools

Statistics have been collected on the over-all Agency briefings of the service schools. The draft of the letter suggested by you for Mr. Dulles' signature has been typed.

25 YEAR RE-REVIEW

5. Agency Budget Programs

25X1

[] called on 29 May to state there will be a change in the procedure of reviewing the Agency budget programs. In the future the DD/P programs will be approved by DD/P first. Then they will be sent to DD/S for comment. We were asked to return the Africa Division Program without comment.

6. Duplicating Equipment to be Used by Guerrilla Forces in the Field

25X1

[] of the PP Staff called at our office the afternoon of 1 June. He was handcarrying a dispatch from General Munson requesting duplicating equipment to be used by guerrilla forces in the field. It seems that some member of the General's staff was familiar with the [] which we had used in []. They were attempting to obtain a set of this equipment to train special forces in Europe in its use. I called up TSS and from [] room [] located a reasonable substitute of the [] is Chief of []. He agreed to show the equipment to Mr. [] on the afternoon of 2 June.

7. Qualified Clearances for JOT Candidates

25X1

PPS advised [] that we are having some difficulties with the Medical Office in securing qualified clearances for JOT candidates. C/JOTP was advised that DTR has no objection to his conducting discussions with Dr. Tietjen in an attempt to resolve the problem.

8. Princeton Summer Internees

25X1

The case concerning the polygraphs of [] (Princeton summer internees) was coordinated with [] and the Office of Security. [] entered on duty on schedule. As of 1300 today [] office still did not have the final decision on [] had called the JOTP office on the third.

9. Material for Support Bulletin

25X1

I should have mentioned that in my briefing with [] he stated he is depending heavily on [] for his Support Bulletin material. He seems to feel that OTR can make a greater contribution than it has to this Bulletin.

25X1

10. Training Annex to the CIAPAC GEOP

The training annex to the CIAPAC GEOP, May 1959, was reviewed. PPS reactions are being typed and will be sent to you with the CIAPAC GEOP.
